

# Snip, snip hooray!

## Why you should neuter your pet

Vet treatment if I get pregnant, plus my extra food, can be expensive

Neutering stops us having unwanted litters

Don't let your kitten have kittens, neuter cats at four months. Numbers can quickly get out of control

Ask Oak Tree Animals' Charity for help with neutering costs; it may even be free

I can get pregnant at four months

If you're renting, check your tenancy agreement for the number of pets you can have, and neuter to help you stick to it
