

Great Volunteer Dog Walk Rules

Saturday 13th April 2024

- All dogs must be kept on a lead.
- All leads should be attached to either a flat collar or a harness (no check/choke chains, prong collars or e-collars permitted).
- Owners should consider muzzles for reactive dogs.
- No more than 2 dogs per handler.
- Owners should ensure that they give dogs space and respect owners whose dogs will not cope with their dog being over-familiar or approaching them.
- Owners must pick up, remove and correctly dispose of any dog poo.
- Owners must bring adequate water for their dogs (and themselves!)
- Any dog exempted under the DDA must be compliant (i.e. on a leash and muzzled)
- All dogs must be physically fit enough to complete the walk.
- Any owner with a dog deemed to be aggressive or a danger to the other participants or their dogs will be asked to leave/no longer participate.
