

## What will my sponsorship be used for?

... Your contributions to our sponsorship scheme will go towards food, veterinary bills, enrichment and bedding. It will also go towards costs associated with accommodation such as heating and water.

... The welfare of the animals here at Oak Tree is our top priority. Your sponsorship will be fundamental to making sure their needs are met.

... We want to make sure our animals feel at home; by committing to our sponsorship scheme, you will give them the best present imaginable.

## Will I be Josephine's only sponsor?

... Oak Tree's sponsorship programme is a co-sponsorship scheme with the idea that a number of people sponsor each animal.

... Josephine will hugely benefit from your support, as will some of her friends here at Oak Tree.

# Introducing **Josephine**

**I am Josephine, a fluffy black and white feline furball, who has called Oak Tree home for many years. I have several medical issues which means I need to be monitored closely.**

Age is really just a number to me - I still have moments of kitten - like madness but in truth I am quite elderly. I am told I have 'cattitude' but I prefer to think of myself as independent!

I have full run of the site but prefer to spend the majority of my day in the Small Animal office helping out with paperwork and phone calls or attending staff meetings. I potter around the site and will act as an 'Animal Ambassador' by greeting visitors. At night I have my very own room, with all the modern comforts including a couch and an armchair, so can have human visitors, plus lots of lovely comfy blankets for me to snuggle up into. In the winter I also get heating through the night so I am toasty and warm in my old age.

Life at Oak Tree suits my personality and I could not imagine anywhere else I would want to live and 'work'.

## How sponsorship benefits animals at Oak Tree

Most of the animals we care for find a happy future away from Oak Tree, but occasionally we come across an Individual who, through no fault of their own, finds themselves remaining in our care for a long time. This may be for a variety of reasons, be it due to health, or particular behaviour issues.

Whatever the reason, the welfare of every animal our charity cares for is our priority.

Oak Tree depends heavily on the generosity of our supporters and simply wouldn't exist without it. By sponsoring Josephine, you are helping ensure all her needs continue to be met.
