Animal Sponsorship

Introducing

Boo

My name is Boo and I'm a 15 year old miniature Shetland mare; I have lived here at Oak Tree for 8 years. I suffer from episodes of chronic laminitis which means I need specialist care and management.

I like my lifestyle and routine here at Oak Tree and that is what keeps me fit and healthy, and my laminitis under control. I thoroughly enjoy being pampered and I

love the pony fun days we have where the children pamper and look after me while learning how to look after ponies.

How sponsorship benefits animals at Oak Tree

Most of the animals we care for find a happy future away from Oak Tree, but occasionally we come across an Individual who, through no fault of their own, finds themselves remaining in our care for a long time. This may be for a variety of reasons, be it due to health, or particular behavioural issues.

Whatever the reason, the welfare of every animal our charity cares for is our priority.

Oak Tree depends heavily on the generosity of our supporters and simply wouldn't exist without it. By sponsoring Boo, you are helping to ensure all her needs continue to be met.

Sponsorship as a gift

You could always sponsor Boo as a gift for someone you know, sponsorship can make a wonderful present for a pony-lover.

As part of your sponsorship you will receive:

- An A5 colour photo and factsheet
- A sponsorship certificate
- Our biannual newsletter
- Invites to special events
- Regular updates on Boo
- An Oak Tree pen
